UFO/ NESTY Challenge

To join the UFO (UnFinished Objects) and NESTY (Not Even Started Yet) Challenge, enter at least 4 descriptions or quilt names below. We will be showing off our uncompleted projects at the April meeting, so bring your stacks of fabric, partially cut-out pieces and half-sewn quilts with you to that meeting.

You may write down as many projects as you like, but to be eligible for the UFO/NESTY Award you must complete 4 quilts by the January 2009 meeting. We will have a "Show and Tell" with the completed quilts at the 2009 meeting, but a photo of the completed UFO/NESTY of the completed project will also serve as proof of completion.
